Campaign to Begin!

Our Lady of the Angels Parish is pleased to announce the inauguration of our Capital Campaign - “*Forward in Faith 2010*”. After months of preparation, consultation and prayer, we are about to embark on a campaign that is intended to meet our parish’s current need of repairing and replacing the roof on Immaculate Conception Church, and make improvements to the former St. Joachim School building and Church of St. Joachim to provide better access to parish programming, and to better utilize the building space.

All families will be called upon to make a sacrificial gift in the form of a pledge, payable over three years. Only with the financial commitment of all will we be able to achieve our minimum goal of raising \$1,200,000 toward the project’s \$2.8 million cost. The church belongs to all of us- only through sacrifice throughout the community can we achieve our goals. All contributions, from the smallest to the largest, will be gratefully appreciated. Your decision is a personal one and should be made in good conscience and true Christian stewardship. We realize that not everyone will be able to make the same gift. We can, however, each make the same size sacrifice.

Campaign Receptions Planned

All registered households of Our Lady of the Angels Parish will be invited by Father Lee to attend a campaign reception in the coming weeks. You will receive an invitation in the mail with several receptions dates and times. Please RSVP as soon as possible in order for us to plan accordingly. The receptions are offered to share the plans for Our Lady of the Angels Parish and build the support of all parishioners toward the future of our parish.
